Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Lancaster Police Department Body-worn Cameras community project in fiscal year 2023. The entity to receive funding for this project is the Lancaster Police Department, located at 525 Pavement Road, Lancaster, NY 14086.

The funding would be used for a body-worn camera system for the police department. This system would consist of 43 body cameras for police officers, school resource officers and detectives, with all associated docking equipment, software, a cloud-based evidence management system, cloud-based video storage and licenses.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Chris Jacobs  
Member of Congress
